

## Installation and Configuration Manual

# UnionPay International (April 2020). Configuring WAY4™ According to Payment System Requirements

03.49.30

26.02.2020

# Contents

<b>1. UnionPay International Settings</b>	<b>4</b>
---	----------

This document describes how WAY4™ must be configured to comply with UnionPay International requirements set forth in the document "Implementation Guide For Technical Enhancement. Version 20.1" which becomes effective in April 2020.

# 1. UnionPay International Settings

UnionPay International requirements are supported by the Transaction Switch platform version 1.1.384-6433 or later.

The payment system will notify banks of the date and time when the new requirements become effective.
