

Installation and Configuration Manual

UnionPay International (October 2020). Configuring Way4™ According to Payment System Requirements

03.50.30

20.07.2020

Contents

1. UnionPay International Settings	4
---	----------

This document describes how Way4™ must be configured to comply with UnionPay International requirements set forth in the document "Implementation Guide For Technical Enhancement. Version 20.2", which becomes effective in October 2020.

1. UnionPay International Settings

UnionPay International requirements are supported by the Transaction Switch platform version 1.1.412-7613 or later.

The payment system will notify banks of the date and time when the new requirements become effective.
