Installation and Configuration Manual

UnionPay International (April 2021). Configuring Way4™ According to Payment System Requirements

03.51.30

04.03.2021

Contents

This document describes how Way4™ must be configured to comply with UnionPay International requirements set forth in the document "Implementation Guide For Technical Enhancement. Version 21.1" which becomes effective in April 2021.

1 UnionPay International Settings

UnionPay International requirements are supported by the Transaction Switch platform version 1.1.436-8904 or later.

The payment system will notify banks of the date and time when the new requirements become effective.
